

## Silicon Motion Announces Annual Dividend Increase

October 25, 2019

HONG KONG and TAIPEI, Taiwan, Oct. 25, 2019 (GLOBE NEWSWIRE) -- Silicon Motion Technology Corporation (NasdaqGS: SIMO) ("Silicon Motion" or the "Company"), a global leader in designing and marketing NAND flash controllers for solid state storage devices, announces today its annual cash dividend of \$1.40 per ADS, a 17% increase from the \$1.20 per ADS declared last year.

As the Company's growth and profitability have been strong, the Board has decided to increase its annual dividend payment to \$1.40 per ADS<sup>1,2</sup> which will be paid in four quarterly installments of \$0.35 per ADS<sup>3</sup> according to the following anticipated record and payment dates:

Record Date	Payment Date
November 7, 2019	November 21, 2019
February 13, 2020	February 27, 2020
May 7, 2020	May 21, 2020
August 6, 2020	August 20, 2020

The Company's depository bank's DR books will be closed for issuance and cancellation on each of the record dates.

"Our Board has decided to increase the Company's annual dividend to further enhance shareholder returns," said Wallace Kou, President and CEO of Silicon Motion. "Our business continues to generate strong free cash flow and our outlook remains favorable."

The payment of the annual dividend to be paid in quarterly installments will be made according to the anticipated record and payment dates unless subsequently changed by the Board. The declaration and payment of future cash dividends is subject to the Board's continuing determination that the payment of dividends is in the best interests of the Company's shareholders and is in compliance with all laws and agreements of the Company applicable to the declaration and payment of cash dividends.

### ABOUT SILICON MOTION:

We are the global leader in supplying NAND flash controllers for solid state storage devices and the merchant leader in supplying SSD controllers. We have the broadest portfolio of controller technologies and our controllers are widely used in embedded storage products such as SSDs and eMMC+UFS devices, which are found in smartphones, PCs and commercial and industrial applications. We have shipped over six billion NAND controllers in the last ten years, more than any other company in the world. We also supply customized high-performance hyperscale data center and industrial SSD solutions. Our customers include most of the NAND flash vendors, storage device module makers and leading OEMs. For further information on Silicon Motion, visit us at [www.siliconmotion.com](http://www.siliconmotion.com).
